## ***President's Message*** *Linda Parker*

This new decade kicked off lots of activity in the Friends of the Library Book Shop. The Library performed a "clean up" of their stacks and donated a wealth of books to our Shop. Many are in the Shop now and more are shelved weekly. Donations to the Shop have been very good and we are grateful for the generosity of the people of Escondido! Did you know that all proceeds of sales in the Shop are donated back to the Library to fund the wide variety of services and events for every age group. These services and events are completely free to the public and are educational and/or entertaining. The Escondido Public Library is a vital and active part of our City and if you haven't visited in a while, you are long overdue.

Our Book Shop is always busy as new books, magazines, puzzles, CDs, and DVDs find themselves on our shelves from the Donation Bin. For 2020, we will continue to have our Half Price Sales at the end of each month and, as we started last year, our Shop will be restocked during the Sales.

I want to congratulate Marge Kelly as the recipient of the Mayor's 2020 Leadership Award. Marge has been a volunteer at the Library for 30 years - and she's still active! We are grateful for Marge and her years of experience. In closing, our greatest need is for additional volunteers. We currently have about 40 people who volunteer their time. As a volunteer, you can work as many or as few hours as you choose. We need people to sort donations, price materials, shelve books, and work in the Shop. Do you have some free time? Volunteering at the Library has been the best thing I've done since retirement.

## ***Library Administration*** *Dara Bradds, Library Director*

---

It has been a very busy 2020 so far!

In January, we completed the library's annual survey. We collected 1,114 surveys in total. The results of which help us better serve the Escondido Community by providing the programs and services survey responders tell us they want.

We also experienced staffing changes. After many years of excellent work in Customer Services, Lorna Underwood announced her retirement in January. Her last day was the 31<sup>st</sup>. We advertised the position and received many resumes. After interviewing numerous candidates, I am pleased to announce the promotion of Vince Rulien from part-time Library Associate 2 to full-time Library Associate 3. Vince has worked for the library for 12 years and has been an invaluable member of the team. He has demonstrated excellent customer service skills and knowledge of library services.

## ***Technology & Support Services*** *Katy Duperry, Ass't Library Director*

---

Winter is almost over, and Technology and Support Services is gearing up for spring with the following changes, improvements, and new innovations!

- We have opened a recruitment to fill Vincent's former part time position in Customer Service.
- Library Operations Manager and Archivist Aspen Hill has continued working on streamlining Customer Service procedures and is currently working with Customer Service staff to better organize the Circulation Workroom space.
- Library administration has worked with the City of Escondido InfoSys Department and improved the library's phone menu system to make it easier for patrons to navigate to correct service desk.
- The Escondido Library Foundation has funded a new projector and sound system for the Library's Turrentine Room, which is set to be installed by fall of 2020, and will improve the ability of both Library staff and outside renters to utilize audio and video equipment for their events.
- Don't miss the Pioneer Room's next Gallery Exhibit! The Camp Sunkist Gallery Exhibit will be on display in the Pioneer Room from March 3<sup>rd</sup> through June 25, 2020. Camp Sunkist was built in 1942 by the Escondido Lemon Association to house migrant workers. It contained 42 one-room bungalows once located where the Escondido Transit Center now resides. The photographs were taken in 1987 just prior to the demolition of the camp.
