Escondido Country Club Project Proposal**

E-Newsletter – November 2017

Interested parties,

The City is currently reviewing an application to redevelop the Escondido Country Club and golf course. As part of the process, the City created a e-newsletter to provide timely and informative news about the project.

UPDATE: PLANNING COMMISSION RECOMMENDATION AND CITY COUNCIL HEARING

The City of Escondido Planning Commission held a public hearing for the project on October 24, 2017. After more than two hours of public testimony and a presentation from City staff, the Planning Commission recommended approval of the project and certification of the Final EIR, by a vote of 5 (yes), 1 (no) and 1 (abstained).

Next, the project will be reviewed by the City of Escondido City Council.

A City Council public hearing is scheduled to consider the proposed Project on Wednesday, November 15, 2017 at 4:30 PM, in the Council Chambers of the City of Escondido. Please mark your calendars. City staff has already physically posted a notice on the project site and a public hearing notice was mailed to surrounding property owners.
