

Food Recovery Agreement Template

SB 1383 regulation requires Tier 1 and Tier 2 Generators to hold a written agreement with food recovery organizations and/or services that will be recovering their excess edible food. This document is a food recovery agreement template to help businesses fulfill this requirement.

How should my business use this template?

After reading and signing the acknowledgements below, complete the worksheet on the back side of this document. There are two columns – one for the food donor to fill out, and the other is to be completed by the food recovery organization or service that will be recovering the donated food.

Acknowledgments and Signatures

- **Documentation and Recordkeeping:** A copy of this completed form must be kept on-site either electronically or on paper to be in compliance with the recordkeeping requirements outlined in Section 18991.4 of SB 1383 regulation.
- **Food Safety:** All food recovery activities will be executed in compliance with all federal, State, and local regulations for safe food handling.
- **Donation Dumping:** The food donor identified in this agreement certifies that they will not knowingly provide unusable or inedible food, force food recovery after capacity has been reached, or intentionally deliver food outside of the agreed upon food recovery windows (“donation dumping”).
