

# Queen Califia's Magical Circle Scavenger Hunt

Artist: Niki de Saint Phalle

Activity Objective: Explore around the garden to find these objects that are scattered around. Can you be the first one to answer all of these questions correctly?

1. Where is Queen Califia?
2. Where is the book that won't close?
3. Where is the night sky?
4. Where is the golden egg?
5. How many handprints do you count in total?
6. How many legs does the eagle have?
7. How many snakes can you count?
8. Where is the female head terracotta figure?
9. Spot the bird flying straight down.

Drawing Activity: For each item listed in the boxes below, draw what they look. This activity is not designed for drawing in the Queen, but an activity for AFTER your visit here with us!
